

Test kits include 0-35 w.c. gauge,
rubber hose with 'bell' end for easy fit
on orifice and plastic protective case.

Part Number	Description
50P-2	Gauge test kit 0-35 WC w/green case and hose and adaptor
50P-5	Gauge test kit 0-35 WC No case includes hose and adaptor
A201	3' tubing with replacement bell end
ID4976	Replacement bell end

50P-2

Kuhlman 3-Instruments-in-One

Part Number	Description
2000A	Kuhlman instrument w/ metal case - complete
2000A-FL	1/2 pint pink fluid
2000A-GAL	Gallon of pink fluid
#12	Female Quick disconnect fitting
B25	Hand pump

- Pounds to 200 psi
- Inches of water to 16"
- Accurate leak tester

2000A

Part No	Description
ME50ECO-2	1/4" MPT Test Gauge 0-30" WC
ME50P-2	Gauge Test Kit 0-35" WC Non Adjustable Rubber Hose w/Bell Plastic Case
ME50P-5	Test Gauge 0-35" WC Non Adjustable Rubber Hose w/Bell No Case
ME60-2	1/4" MPT test gauge 0-35" WC Adjustable
ME60P-2	Gauge Test Kit 0-35" WC Adjustable Gauge w/ Included Screwdriver Rubber Hose w/Bell High Quality Case w/ Metal Hinge
ME60P-5	Test Gauge 0-35" WC Non Adjustable Rubber Hose w/Bell No Case

ME50P-2

Gas Detectors

TIF 8500A ...Carbon Monoxide Analyzer with case. LCD readout displays 0-10,000 ppm, voice feature allows audible read-outs, cordless & portable, 15" flue probe.

8500A

CO71 ... Carbon Monoxide detector detects CO levels from 0 to 999 ppm. Tri-color warning indicates 3 concentration levels. Green when CO is 2-9 ppm. Amber when CO is 10-35 ppm and red with an audible alert at 34 ppm indicating dangerous CO levels. Handheld powered by 9V battery.

Pocket Air Check ... affordable pocket sized combustible gas leak detector. Handheld and highly sensitive makes finding gas leaks as easy as using a flashlight. Operates up to 8 hour on (2) AA batteries. Both audible and visual alarm indicators.

TIF 8900...Combustible Gas Detector with case The 8900 is a highly reliable broadband combustible gas detector extremely useful as a general purpose tool in any environment where gasoline, propane, natural gas or fuel oil is used.

8900

HS80504...Carbon Monoxide, Propane & Methane Gas Detector

- Senses dangerous levels of carbon monoxide
- Two independent 85dB alarm sounds, one for CO, the other for methane/propane.
- Has computerized calibration to help eliminate false alarms
- Built-in self-diagnostics assures the unit is operating properly
- Plugs into standard 110-120v outlet
- Samples the air every 2.5 min.
- 5 year warranty

HS80504

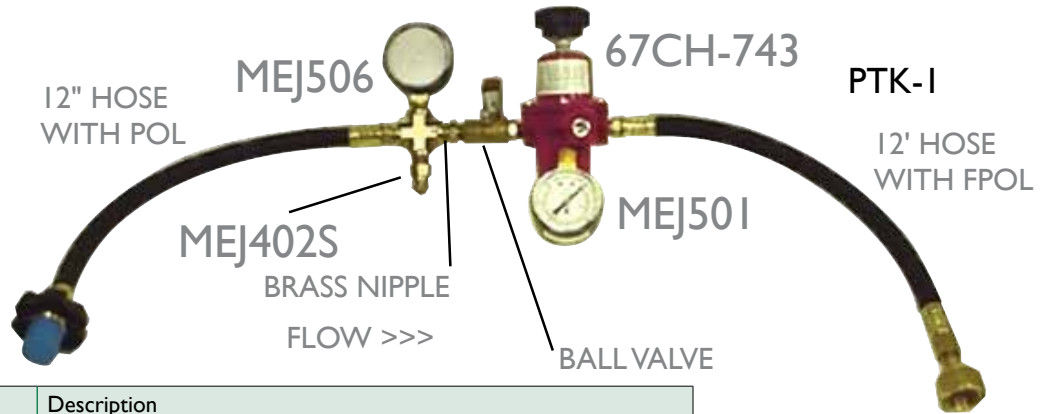

Part Number	Description
8500A	TIF CO Analyzer voice feature, case, LCD readout, cordless
8900	TIF Combustible Gas Detector
8803	TIF Battery recharger 120 volt
8806A	2 Rechargeable NI-CAD battery for TIF8900 2.4 volt
TIF8801	TIF sensing tip for 8800/8800A
HS80504	110 Volt Propane & Carbon Monoxide gas alarm
Pocket Air Check	Pocket gas detector for NG, LP, Methane & Butane. (2) AA batteries
CO71	Hand held carbon monoxide detector

BALL VALVE

MEJ501

12' HOSE WITH FPOL

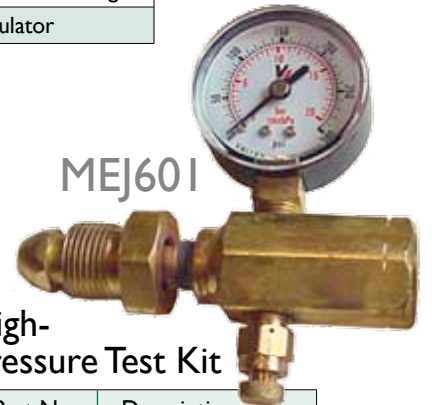

Part No.	Description
PTK-I	Male x Female POL w/ 3-35 PSI Regulator 0-300 & 0-30 PSI Gauges
PTK-1A	Male x Female POL w/ 0-300 PSI Gauge, without regulator

Note: Assembly required

MEJ595
Pressure Gauge Adapter

Part No.	Description
MEJ595	1/2" MNPT x 1/2" FNPT adapter

MEJ601

High-Pressure Test Kit

Part No.	Description
MEJ601	MPOL x FPOL test block with 0-300 psi gauge and bleeder

Low Pressure Test Adapter

Part No.	Description
I328	For 3/8" O.D. tube
I331	For 1/2" O.D. tube
I332	For 5/8" O.D. tube

I332

Flare fitting unit for testing pressure in copper tubing lines, when test connection on appliance is not accessible.

ME299

Part No.	Description
ME298	1/2" MNPT x 1/2" FNPT, 1/8" FNPT side
ME299	3/4" MNPT x 3/4" FNPT, 1/8" FNPT side

Note: Side has #54 drill hole and plugged. This test adapter can be installed anywhere in the system and remains part of the permanent installation.

I499
Pressure Gauge Snubber

Part No.	Description
1449	1/4" male x 1/4" female with #54 drill hole.

Pressure snubber protects the gauge from damaging surges and moderates pulsating at the gauge.

KVB

ME10BTK

Leak Detection Equipment and Supplies	
Part Number	Description
High Pressure	
MEJ60I	MPOL x FPOL test block with 0-300 psi gauge & bleeder
PTK-I	POL test kit with 0-300 gauge & ball valve (with regulator)
PTK-IA	POL test kit with 0-300 gauge & ball valve (no regulator)
KVB Kit	Type B kit w/tool box test block (12) 1/8" & (6) 1/4" type B valves, includes 0-30 psi gauge & 12 lb regulator
V75-20	Shut off valve warning decal
Line Pressure (0-30 psi)	
ME10BTK-KIT	15 psi Schrader valve test kit
MEJ610/30	Test adaptor 0-30 psi gauge 3/4 FPT x Schrader valve
KA511-18	0-30 psi gauge 1/8 mpt back mount
KA501-18	0-30 psi gauge 1/8 mpt bottom mount
KVB Kit	Type B kit w/tool box test block (12) 1/8" & (6) 1/4" type B valves, includes 0-30 psi gauge & 12 lb regulator
TGB	Type B connection test gauge with bleeder, 0-30 psi gauge
ME10BTK-1-01	Female swivel adaptor Schrader x 1/8" FPT
KRI2	1/4" FPT high pressure regulator preset at 12 psi
V75-20	Shut off valve warning decal
Operating Pressure (0 - 35" WC)	
I222-16	Dwyer U-Tube Manometer
I222-16-D	Dwyer Oil filled U-Tube Manometer
I212	Dwyer Slack Tube Manometer
MON-15	CMI Engineering Mono tube hydro gauge Manometer
MAN-16	CMI Engineering U-Tube Manometer
2020	0-20" WC Magnehelic Gauge
2020 BUNA IC	0-20" WC Magnehelic Gauge Buna diaphragm Impregnated Case (IC)
2020LT	0-20" WC Magnehelic Gauge Low Temp to -20F
EM151	0-20" WC Electronic Manometer, w/ 18" hose & 1/8" mpt adaptor
50P-2	Fisher gauge test kit 0-35" WC w/ case, hose & adaptor
50P-5	Fisher gauge test kit 0-35" WC w/ hose & adaptor, no case
ME50P-2	Gauge test kit 0-35" WC with case, hose & adaptor
ME50P-5	Gauge test kit 0-35" WC with hose & adaptor, no case
ME60P-2	0-35" WC gauge test kit with hose, case, adaptor adjustable
ME60P-5	0-35" WC gauge test kit with hose, adaptor adjustable

Bergquist

Test Equipment (cont.)

Accessories for all Test Kits	
MEJ605	Test adaptor female Schrader x 1/8" hose barb, brass
MEJ607-02	Test tap valve 1/4" MPT x Schrader connection
MEJ607-03/100	Warning label for 1/4" mpt Schrader valves
MEJ608B-02	Test tap valve 1/8" MPT x Schrader connection
MEJ608B-03/100	Warning label for 1/8" mpt Schrader valves
ME298	1/2" MNPT x 1/2" FNPT with 1/8" side port which has #54 drill hole
ME299	3/4" MNPT x 3/4" FNPT with 1/8" side port which has #54 drill hole
VB1	Test tap valve 1/8"mpt x 1/4" male flare "Type B" connection
VB2	Test tap valve 1/4"mpt x 1/4" male flare "Type B" connection
ME10BTKL	0-30" WC Schrader valve test kit with tool box & 10 valves
HSB	Type B test adaptor with 1/4" fFPT for manometer/oz gauge access
I328	3/8" OD test adaptor
I331	1/2" OD test adaptor
I332	5/8" OD test adaptor
TL05 I	Serviceman's Friend
ID4976	Replacement bell end adaptor
A339	Brass adaptor 1/8" MPT x 1/8" hose barb
AC319	Soft sided carrying case for EM15 I
A126	3/4 oz bottle of green dye for manometer
A101	3/4 oz bottle of red gauge oil for manometer
A102	4 oz bottle of red gauge oil for manometer
007	2 oz bottle low temp -20F pink fluid for manometer

Bergquist Leak Detector

Part No.	Description
150010	One gallon low temp. leak detector / 4 per case
150011	55 gallon drum of low temp. leak detector
150015	8 oz. bottle with daube & low temp. leak detector
150000	Pint bottle with brush top, empty
150002	Pint trigger spray dispenser, empty

Magnehelic Gauge

Part Number	Description
2020	Magnehelic Gauge 0-20" WC w/Case & Access. (2 boxes)
2020LT	Magnehelic Gauge 0-20" WC Low Temp to -20F w/Case & Acc (2 boxes)
A432	Case and Accessories for 2020 Magnehelic Gauge
