

The Better Dispenser

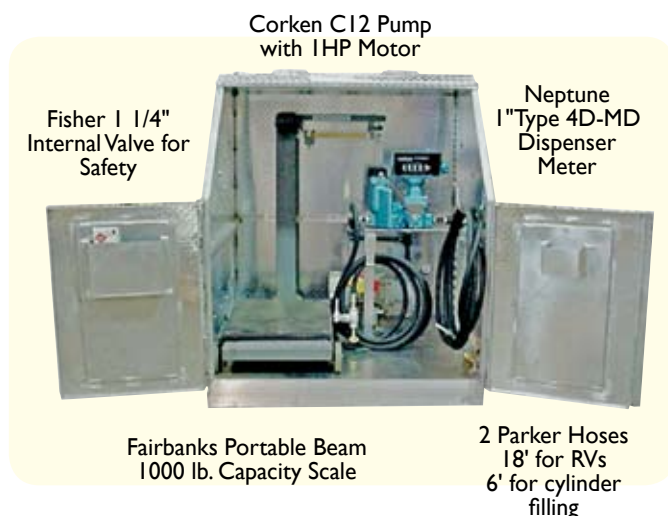

Aluminum or Steel

- **Secure**...3 doors secured by 1 lock.
- **Compact**...our unique cabinet design was engineered with you in mind.
- **Convenient**...Cabinet & contents are shipped assembled. (except scale)
- **Top Quality Cabinet**...Welded steel construction, primed and painted white*, side floor vents, hose hanger, tank can be installed at rear or either side. (*Optional & custom colors available)
- **Top Quality Components**...Fisher internal valve, Corken pump, Neptune meter, Fairbank 1000 lb. capacity scale, Fisher angle valves, Parker hose, quick acting hose end valves, and top quality strainer and fittings.
- **Fold Back Top**...makes filling and weighing cylinders easy, including 100 lbs. cylinders.
- **Tank Stands Included**...the tank stands can be installed at the rear or at either side of the cabinet. (2 - 2" sch. 40 lengths of pipe are required to tie tank stands to cabinet.)
- **Complete**...your dispenser unit comes assembled and ready to go. All you need to supply is; propane, a bulk propane tank, electricity (110 or 220 volt), 2-2" sch. 40 lengths of pipe for skids and sch.80 pipe for liquid transfer.
- **Optional ~ Integral Purging System**...Fisher adjustable 15 lb. regulator with pressure gauge & hose assembly. Two ball valves piped in series allow product venting through pipe-away stack.

Includes;

- **Fisher 1 1/4" Internal Valve for Safety**
Excess flow protection, fire protection, and remote shutdown capability.
- **Corken C12 Pump with 1 hp Motor.**
Designed specifically for Propane and is simple to service. The C12 has heavy-duty, permanently lubricated ball bearings, free-floating impeller design, ductile iron case, balanced mechanical seal assembly, high flow inlet and discharge, and continuous-duty motor. 2 year Limited Warranty.
- **Fairbanks Portable Beam 1000 lb. Capacity Scale**
The Model 1124 scale is rugged, long lasting, easy to read, compact and easy to move. It has a cast iron base, cast iron lever system and a cast iron platform. The Fairbanks 1124 provides exceptional accuracy over many years of service, resisting corrosion and bending.
- **Neptune 1" Type 4D-MD Dispenser Meter**
The standard unit includes a 600 Series totalizing register with a 5 digit resettable counter and an 8 digit non-resettable totalizer. The Neptune 4D-MD designed oscillating piston measuring chamber is both accurate and reliable.
- **2 Parker Hoses**
1-6' hose for cylinder filling and 1-18' hose for RV's
- **Fisher Valves**
- **2-Quick Acting Hose End Valves**
- **Adaptors for filling cylinders, forklifts, and RV's.**
- **3/4" Pullaway**
- **High Quality Fittings**
- **Strainer**
- **Decals**
- **Supply of POL Plugs & DOT Labels.**
