

LIQUID Y STRAINERS

ME655SP

Ductile iron strainers rated at 600 lb.
Self cleaning Y-type design
40 mesh stainless steel screen

Liquid Y Strainers

ME656SP

Part Number	Description	Clean Out Plugs Size, Part Number
ME650SP	1/2" FNPT	1/2", 600515
ME651SP	3/4" FNPT	1/2", 600515
ME652SP	1" FNPT	3/4", 600520
ME653SP	1 1/4" FNPT	s
ME654SP	1 1/2" FNPT	1", 600525
ME655SP	2" FNPT	1", 600525
ME656SP	3" FNPT	1 1/4", 600530

Note: Clean out plugs are included, replacement part numbers are provided above. Hex plugs are forged steel. You may want to install a plugged ball valve here for easy future clean out.

SCHROEDER LIQUID LINE FILTERS

DA-1

E-1

400# Schroeder Liquid Filter

Part Number	Description
DA-1	1" FNPT, Filter with Flow Indicator
DA-1 1/2	1 1/2" FNPT, Filter with Flow Indicator
E1	Replacement Element for DA-1
E1 1/2	Replacement Element for DA-1 1/2

FLEXIBLE CONNECTORS

Braided stainless steel.
350 PSI rated.
Schedule 80 ends.
For liquid propane service.
Prevents piping damage from vibration and thermal expansion.

630136

We can custom make flexlines to your specifications
Allow 3 days for custom lines.

The length shown in the chart is the minimum. 36" is the maximum allowed.

Flexible Connectors

Part Number	Pipe Size	Overall Length	# of Steel Braids
630002	1/2" MNPT	12"	Single
630006	3/4" MNPT	12"	Single
630008	3/4" MNPT	16"	Single
630010	3/4" MNPT	18"	Single
630026	1" MNPT	16"	Double
630056	1 1/4" MNPT	16"	Double
630096	1 1/2" MNPT	16"	Double
630136	2" MNPT	18"	Double
630171	3" MNPT	22"	Double

Notes: Never use a flexline to correct bad plumbing. Flexline must be kept straight.
Do not use on mobile installations - use high pressure Parker rubber hose, with pressed on ends, certified.
