## Vapor Return Valves

Part Number	Description
<b>1876</b>	1 1/4" ACME x 3/4" MNPT, with excess flow

Note: A vapor coupling with a projected nozzle opens the back check to permit flow in both direction.

## Auto Stop Filler Valves

Part Number	Description
661154	Cavagna 80% Auto shut off valve 3/4 MNPT
LT3	Valve adaptor 3/4 FNPT x SR Head Flange
RK28095	O ring kit for repair of obsolete 28095 valve
